

Cason Elected Secretary Chamber of Commerce

TWO SMALL BOYS DROWN NEAR TEHUACANA

Texas Farmer Killed When Plane Falls On Him

Meeting Called Of Members For Next Tuesday

John Swett, President of the Mexia Chamber of Commerce, stated today that at a meeting of the Board of Directors of the organization Wednesday afternoon, Jere Cason of this city was elected Secretary to fill the vacancy left by the resignation of Ben F. Stollenwerk.

Mr. Cason assumed the office this morning and went to work with characteristic enthusiasm. Mr. Cason was for about a year manager of the Southwestern Bell Telephone Company, thus engaging in public service here. For the past several months he has been Active Vice President of the J. I. Riddle Furniture and Undertaking Company. He has been identified with civic organizations since he became a resident of Mexia and is generally referred to as a "live wire" and a man who goes into everything he undertakes with enthusiasm, which puts things over. At present he is Secretary of the Lions club.

He states that he has no formal statement to make but asks for the cooperation of the public and assures the citizenship here that he will give the very best service, in time, in mind and in body for the betterment of Mexia. He is now going through the files and records of the Chamber of Commerce, forwarding all communications requiring attention and getting in touch with the local program.

Mr. Cason was introduced at the Rotary luncheon today by President A. Hardy Eubanks, who later called on him for an address. He responded with a compliment for Rotary and made an appeal for the help of every citizen in making the Chamber of Commerce a helpful and serviceable institution here.

John Swett was also present at the Rotary luncheon, the program of which was presided over by Rodney Tidwell. Mr. Swett stated that there would be a meeting of the members of the Chamber of Commerce next Tuesday, at which time the organization will elect new officials and directors. Every member is urged to attend.

Courtesy Auditor J. B. Watson of Groesbeck was a Mexia visitor Wednesday.

Aultman Makes Statement To Voters Of District

Hon. Luther B. Aultman, candidate for District Attorney of the 77th Judicial District, of this city, in an address directed to the citizens of Limestone and Freestone counties, comprising the district, comments thoughtfully and patriotically on the political life of their country and also affirms his faith in constitutional government.

His statement is as follows: Mexia, Texas, June 5, 1924. To the Citizens of the 77th Judicial District, Limestone and Freestone Counties, Texas:

Fellow Citizens: All active and thinking citizens of this district have a better grasp and broader understanding of civic problems and of the duties of citizenship than at any time heretofore. Politicians and office-holders are not the only people in politics and government.

REGENTS ATTEND WESTMINSTER CLOSING

The following members of the Board of Regents of Westminster College attended the Commencement exercises of the college during the week of May 30 to June 4.

W. M. Moody, Tehuacana, President. J. A. Phipps, Wortham, Secretary. Mrs. J. T. Bounds, Tehuacana. Mrs. N. G. Ferguson, San Angelo. J. T. Black, Tehuacana. M. L. McCandless, Greenville. D. O. Anderson, Lake Creek, Texas. Rev. G. C. Davis, Crockett. J. A. Miller, Charleston, Texas. G. W. Sanders, Cooper. W. W. Pierce, Cooper. B. T. Bounds, Wortham.

Bob Hanna of Groesbeck was in the city Tuesday.

The gold output of California last year was \$11,829,100.

REVIVAL MEETING

Now going on and being held by Edward C. Lynch of Los Angeles, who is a graduate of the Glad Tidings Bible Institute of San Francisco, Red River and Miami streets.

Commencement At Westminster Is Brought To End

What is acknowledged to have been one of the best plays ever presented by amateurs in this section was the play "Nothing But the Truth" presented on Wednesday evening in the college chapel at Tehuacana by the students of Westminster. The play was the last event of Commencement and was one well worthy to bring to an end one of the best Commencements which the school has yet given. According to those who witnessed the play it was almost perfectly rendered. The interpretation of the various characters by the students was sufficient to attract roars of applause from an audience which filled the large college auditorium to its capacity.

The play is one written by a modern playwright of international reputation and deals with humorous incidents of modern life. The plot revolves about a wagger which the leading male character, Robert Bennett, makes with some partners on his ability to speak the absolute truth for twenty four hours. The troubles which the young man gets into as a result of his wagger produce extremely humorous and interesting situations, though nothing of a slap stick character enters into the play.

The cast Wednesday evening was as follows:

Robert Bennett, Ralston's partner, Wallace Byers. E. M. Ralston, the broker, John Garrison. Dick Donnelly, another partner, Manuel Martin. Clarence Van Dusen, a customer, Clarence Low. Bishop Dotan, Arnon Roberts. Gwendolyn Thornton, Robert's fiancée, Daisy Thornton. Mrs. Ralston, wife of the broker, Jewell Milburn. Ethel Clark, daughter of the richest man in town, Ruth Carnutt. Mabel Jackson, vaudeville, Frances Moody. Sable Jackson, girls, Jewell Johnson. Martha, a maid, Edith Lansford.

NOTHING OFFICIAL YET GIVEN ON INCOME TAX PAYMENTS SECOND QTR.

While in Waco Wednesday, S. H. Flake, called on the deputy income tax collector's office and enquired regarding the second payment on income taxes.

He stated that the reports regarding how to make this payment is unofficial and, therefore, should be unoffered. He recommends that those paying income taxes should wait until an official announcement is made. Just as soon as Mr. Flake gets anything on the subject, he will give it to the public through The News. Mr. Flake made this announcement at the Rotary luncheon today.

Seoul Medical college at Seoul, Korea, recently held services for the souls of animals sacrificed for science.

One Falls In Tank And Other Drowns Trying To Save Him

The two small sons of Mrs. Frazier, of Wichita Falls, who was visiting friends near Tehuacana this week, were drowned in a tank on the Thornton farm about two miles northeast of Tehuacana at about eight o'clock Tuesday morning. One of the small victims was eight and the other ten years of age. It is reported that one of the boys fell in the tank and the other jumped in in an attempt to rescue him. Neither was able to reach the shore and both were drowned. The bodies were taken back to Wichita Falls for burial.

NAVAL RESERVE OIL LEASES DENOUNCED BY WALSH

WASHINGTON, June 5.—Leases of the three naval oil reserves made by Albert B. Fall were denounced as illegal and corrupt in a report of Senator Walsh to the Senate oil committee. This brings to an end the long and sensational "scandal" inquiry involving scores of public men. Most of the thirty-six pages of the report deal strictly with the testimony developed from a legal standpoint, and refrains from passing judgment in most instances, merely setting forth the facts without interpreting them. The report attacks Sinclair, Fall and Denby, and suggests that hereafter no lease of government oil lands should be made without competitive bidding, and then only in case the lands are suffering from drainage by adjacent property.

Johnson Wakefield was a Mexia visitor Wednesday.

THE WORLD IN TABLOID

KALAMAZOO, Mich.—Twenty youths are serving jail sentences and ten are to be arraigned tomorrow, as the result of stories of wild parties related by eight school girls. The boys were arrested on statutory charges. Those convicted were sentenced to 45 days in jail. The girls told stories involving a group of school boys and town youth ranging in age from 16 to 27.

PARIS.—The first step towards making Edouard Herriot premier of France was taken when President Doumergue of the Senate and President Painleve of the cabinet recommended Herriot to President Millerand for the post.

AUSTIN.—Hearing of the case regarding placing James E. Ferguson's name on the ballot was advanced to next Monday.

DALLAS.—Murder charges were filed against L. L. Shelton following death from a bullet wound of Helen Ross, 11. The girl's father was wounded by the same bullet. The shooting occurred in the Ross apartment.

PARIS.—Edouard Herriot refused the premiership offered him by President Millerand.

KANSAS CITY.—Two men bumming their way on a strawberry special from Arkansas on the Frisco railroad were burned to death when the train was wrecked and the debris caught fire. Phil Martin of Black Rock, Ark., was accompanying the two men who lost their lives. Martin did not know the names of his companions.

TOKIO.—Capt. Pelletier D'Oisy was held up in his flight to Japan by a fog, according to messages here today. The French airman took from Taku, Korea, at 5:20 a. m. to continue his flight to Tokio but was forced to return because of heavy weather.

KANSAS CITY.—Shriners today wound up the affairs of their special from Arkansas on the Frisco railroad for a year and gave a farewell band concert. Every train leaving Kansas City was carrying Nobles returning to their homes after four days of celebrations. Most of the special trains leave tonight. The climax of the entertainment furnished for the visitors was reached last night when after following the "Jesters" parade, fire works and street dancing lasted throughout the night. Dancing was still in progress on downtown streets today.

VIENNA.—It was impossible today to communicate directly with Bucharest and for that reason renewed reports of a revolution in Roumania persisted.

Summer School And Normal To Attract Many

On June 9, registration will begin for those who attend the Summer School to be given in Westminster College and which will continue until August 9.

Dr. E. R. Biggs, president of Westminster College, is conductor. He will be assisted by W. A. Lansford, Mrs. Myrtle Whiteley, Miss Mavis Douglas, J. G. Willis, Miss Goldie Culpepper and Mrs. Robert Dornay, librarian.

The Summer Normal covers a period of nine weeks, six days comprising (Continued on Page Two)

DEASON-BRYCE

Mr. Deason-Bryce Miss Olga Bryce, of this city, were married in the First Methodist church at Groesbeck at 2:30 Wednesday afternoon in the presence of a few friends. The ceremony was performed by Rev. Bailey pastor of the church.

The bride is the charming daughter of Mr. and Mrs. J. W. Bryce, of the Bryce Hotel, and is known and admired by a host of friends in Mexia who join in wishing her and her husband every happiness and success.

The groom is the night manager of the Jimmie Cafe and is well known in this city where he has many friends.

The happy couple left soon after the ceremony to spend several days with relatives and friends in and near Waco. They will return here to make their home in Mexia where Mr. Deason will resume his duties as night manager of the cafe.

Veterans Hold Strenuous Day At the Reunion

MEMPHIS, Tenn., June 5.—With celebration of officers of the United Confederate Veterans, Sons of Confederate Veterans, and the Confederate Southern Memorial Association and the selection of a place for the 1925 reunion the principal order of business the combined confederate organizations entered the most strenuous day of the reunion Thursday.

Dallas, Texas; Norfolk, Va.; and Birmingham, Ala., are principal contenders for the next reunion. The Texas city has made the most spectacular campaign but the Sons of Confederate Veterans have been waging a quiet and effective campaign.

Sensational Brief Filed By Counsel For Paddy In Case

WASHINGTON, June 5.—Declaring the credentials of Senator Mayfield "stained with the blood of helpless victims," counsel for George Paddy demanded that the Senate committee investigate the "true nature of the Ku Klux Klan." They filed a brief mentioning the Mer Rouge case and other crimes, and cites eleven specific acts with names and dates perpetrated, the brief alleges, by Klan in Texas in July, 1921. By denying Klan membership Mayfield either committed perjury or practiced gross deception to thousands of Texas Klansmen.

Demands Foreign Nations Spend U. S. Loans in United States

BOSTON, June 5.—Pointing to the policy the United States would not get the full benefit of its loans, as is the case with Britain and other countries making foreign loans in undeveloped countries.

He proposed as an immediate solution of disposing of the problem of using America's large stock of gold, in loans, the formation of debenture corporations composed of leading manufacturers, co-operating with banks. He said these two would act as a counterweight to the gold. (Continued on Page 3.)

San Antonio, June 5.

Struck by a falling airplane after two machines collided in mid-air, Jos. Ramos, 11, chopping cotton in a field, was killed, as was Lieutenant Stewart L. Thompson, pilot of one of the planes. Lieutenant Will White, the other pilot, escaped safely in a parachute.

MANY RICHLAND WELLS REACH INTERESTING DEPTHS

The Boyd Webb 2 at Richland is being watched with interest in the growing young pool. It is down to a depth of 2965 feet and is being standardized.

The G. I. Moore Hilburn 1 is setting casing at 2955. The Hamill Moran is drilling at 2981. The Miller Lewis 1 has shut down at 3058. The Graves Mead 1 has been reported dry at 3004 feet. The McDonald Brown 3 is standardizing at 2942. Prov. Swink 2 is down to a depth of 2940. The Hallmark Webb 1 is showing in sandy shale at 2962 and drilling oil. The Collins 1 is shut down at 2850. The Godley No. 3 is drilling in sandy shale at 2960.

THE WEATHER

East Texas—Tonight and Friday partly cloudy, probably thunder-showers in northeast; cooler in north west tonight and in north Friday. West Texas—Tonight and Friday partly cloudy to unsettled, probably showers in southeast; cooler in north tonight.

After Mascagni had written "Cavalier Rustic" he threw it into the fire, from where it was rescued by his wife.

Through The Vale Of The Shenadoah With "Slyboots"

It is given in life for all of us to work in the beauties of nature and to have beautiful and awe inspiring things as large in the memory of man than that of the Valley of the Shenadoah. The "valley" first made an educational "record" in Lexington, Va., that is seldom equalled and never "broken" not even by the Auto people for the "went thru" two famous institutions of learning in ONE day. I found out that a diploma but he "went thru" them. They were Washington and Lee University and V. M. I. (Virginia Military Institute). Both are world famous in their respective spheres and number among their alumni some of the greatest now living, as well as some who have gone to answer another roll call. On leaving Lexington, which lies nestled in between two mountain ridges—you enter the Shenadoah Valley proper and from there on till you reach Martinsburg, West Virginia, a panorama of ever changing beauty glides by as though it was some endless canvas with the Master Painter's life work glowing in a rainbow hues and guided by the hand of Divinity. The Valley is famous in song and poetry, also the blighting tongue of war has shed its verdant bosom, but it will live in the mind's eye of those who have seen it as a Pristine Beauty never to be warped in comparison. The Valley was knee-deep in June as the writer rode on. The farms with their green grass and growing crops—with the cherry trees and apple orchards waving a welcome to all seemed to set in a frame with the giant mountains on each side forming a back-ground of lofty grandeur. From a valley home on the slope with its flowers and lawn you would rush by some mountain stream and the swish of a water fall would bring to memory the song of a mermaid. Then the Silver Maples in the spring breeze turning their "silver-side" as you rushed by would make you think that Pan—the god of nature—was wooing a forest lauchante and that thru sheer delight he was dancing her heart out. I also thought that is one reason "we humans" or where we get our desire to dance. For doesn't nature dance to the music of the universe. Then before your eyes, a turn in the road brings you face to face with the giants of the earth—all robed in green and lifting their heads far into the blue. Then a cloud slowly crawls over the side casting shadows in wells as if wrought by the hand of some Titan Chief in fantastic forms as if an Angelo of the sky was directing.

THE EDITORIAL OF THE DAY

IRRESPONSIBLE PARENTS

Many favorable comments have been passed upon a message signed by the Berry-Barnett Wholesale Grocery Company which appeared recently in The News under "Letters from the People." The statement generally heard is that the article was indeed timely and that parents need to give heed to the truths uttered.

Parenthood is truly a great responsibility. Most parents are fully aware of this. One hears much of the influence of a good mother and a good father on moulding the character of their children, but one seldom hears a parent reproached for the delinquencies of the boy or girl who brings disgrace upon the home and dishonor to the community.

It is doubtless the case that many slink through life who have never had a chance in their struggle with the world for the simple reason that they entered life's arena through an unworthy home where they were crushed to begin with. Their initiative and courage had been stamped out to start with. They had been neglected by cruel and capricious and unconcerned parents. No one desires to attempt to detract from the glory of a father or a mother but it is well for men and women with growing families to realize that they hold within their power the opportunity to make or mar the lives of the formative youth in their keeping.

It is true that in many respects, this is an age of headstrong youth; a time when the family ties are weak; a period when more young people than ever before are said to be breaking from home influences into evil company and bad environments.

It was surprising a few days ago to see a cartoon by one of the foremost cartoonists of America appearing on the front page of a great daily newspaper in Texas, which purported to eulogize the mayor of one of Texas' largest cities when he endorsed roadside petting parties. One of the citizens of that city took issue with the mayor and also with the cartoonist in a letter which was afterwards published and in which they were advised that if they thought they told the truth when they said conditions were not as bad as the public had been told for them to go out on the roads and do a little personal investigation themselves.

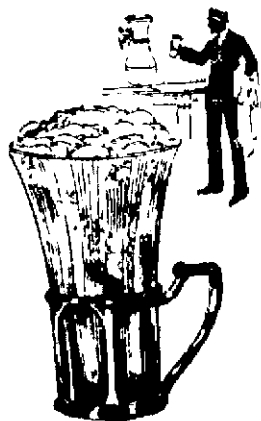

Home should not be a place of torment. Every member of a family should enter into the spirit of creating an atmosphere conducive to happiness, a place to attract rather than of to drive away.

Parents need to be firm, realizing that they owe to their own blood and to their race and nation the duty of rearing sons and daughters properly and treating them justly.

W. D. PITTMAN VISITS SCENES OF HIS YOUTH

W. D. Pittman, who recently returned from a two weeks vacation spent in Louisiana reports that he had a very enjoyable time visiting old friends and relatives. While away he visited in Oakdale, Wilda, Gorum, Robaline, Leesville, Lake Charles and Annacounty, La. where he met many old time friends and relatives, companions of his school days and he feels better for having made the trip.

MONT CLAIR, N. J.—About 200 citizens have protested erection of a soda stand here, "because it would menace the morals of the youth."

When it comes to good fountain drinks, we can't be beaten. Try ours next.

Chocolate Shoppe

Sanwiches, Too.

AULTMAN MAKES STATEMENT TO VOTERS OF DISTRICT

(Continued from Page 1)

ment. All good and right thinking citizens are vitally interested in establishing and maintaining correct principles and in the actual practice of right conduct and ideals, thereby letting mere professional pass; we need them no more. We all desire a close touch with governmental affairs. We are fast turning from and rising out of our sin of civic sleepiness and carelessness.

What is politics? What is our conception of politics? Is politics a mere game to determine whether the people of one group or combination may have the upper hand of another group or combination? Is it a game for personal advancement of one person or group, whether such advancement be financial, moral or other wise? Or is politics an effort to make a fair and equitable adjustment of human rights and relations in every sphere of life?

Politics is not a machine, ring or clique that does not pay the least regard in its private councils, caucuses and understandings,—to democratic principles and tenets; it is not a common league, organized and operating against public interest. The democratic party can be no better, nor attain a higher ideal and standard than its local and state machinery. The machine is operated by some of the people; but no few people know what is best for all the people. The voters themselves are the democratic party.

If granted and existing conditions are good for a few in any community,

then the same conditions will be good for every one of the community. It is easier to bless many than a few,—as well as better. So, let us all have the blessing. Since government and law enforcement reflect nothing more than the standard of conduct of the majority in any community, then what standard is or shall be is merely a matter of education and understanding of each other in the community. The constitution of Texas is that governmental standard over us all; it is, so to speak, our governmental parent, and, therefore, the educator and protector of all Texans. It is the sun and bone of our political body. It counsels with the father's son; it sympathizes with the mother's

daughters. But it punishes only when all counsel is disobeyed, and then it is penalized and punished more severely than the disobedient citizen; that is, the constitution,—our governmental parent,—is hurt more by withdrawing citizens from active producing and housing them in the penitentiary at a loss,—it being the necessary evil that protects those citizens who strive to do right and uplift their fellow men. The father who protects the constitution and laws best guides his son best; the mother who maintains the standard of true womanhood and upholds the standards of conduct established and proclaimed by our constitution and laws counsels her daughter best, for she is a living example of

noble life. I am a candidate for the office of District Attorney for the 77th Judicial District court of Limestone and Freestone Counties. If you support me by your ballot and elect me to that office, and then support me with your moral force, God being our helper, we will uphold the Constitution of Texas and enforce the laws in this district. I solicit the vote of every citizen in the district at the primary election July 28th, and if you elect me to that office of trust, I will not break faith nor will I betray the confidence and trust you place in me.

LUTHER B. AULTMAN,
Candidate for District
Attorney 77th District of
Texas.

RHEUMATISM

Leaves You Forever

Deep Seated Uric Acid Deposits Are Dissolved and the Rheumatic Poison Starts to Leave the System within Twenty-four Hours.

Every druggist in this county is authorized to say to every rheumatic sufferer that if a full pint bottle of Allenru, the sure conqueror of rheumatism, does not show the way to stop the agony, reduce swollen joints and do away with even the slightest twinge of rheumatic pain, he will gladly return your money without comment.

Allenru has been tried and tested for years, and really marvelous results have been accomplished in the most severe cases where the suffering and agony was intense and pitious and where the patient was helpless.

Mr. James H. Allen of Rochester, N. Y., the discoverer of Allenru, who for many years suffered the torments of acute rheumatism, desires all sufferers to know that he does not want a cent of anyone's money unless Allenru decisively conquers this worst of all diseases, and he has instructed druggists to guarantee it as above in every instance. Anderson & Horn can supply you. (adv.)

DEMANDS U. S. LOANS BE SPEN IN THE UNITED STATES

(Continued from Page 1)
trolling body over such loans. Remington said:

"Foreign loans are the best means of developing foreign trade. In seeking fields for wider markets this nation naturally turns to undeveloped countries, being without funds, have no purchasing power. It is evident, that in order to become customers, such countries must raise funds through foreign loans. It is almost invariably the rule that foreign trade follows foreign loans, and it is a well established policy of Great Britain to loan only on condition expenditures for materials are made for British products. Whether or not such a stipulation is made in the loan agreement is of minor importance, because the facts show plainly that money borrowed in Great Britain for purchase of manufactured articles is actually spent for British products exclusively. This practice in connection with foreign loans made by Great Britain is followed by other European countries in making loans.

"It appears, therefore, that where an undeveloped country secures a loan through one of the European nations, the manufacturers of the United States are effectively barred from furnishing materials to be purchased under that loan.

"The most formidable bar to placing foreign loans in the United States is that the American investor is not interested or posted on foreign issues. It is, therefore, difficult to market them in this market unless they are government loans of the 'older nations.' If this formidable impediment can be overcome, then the United States will be in a position to make foreign loans in competition with Great Britain and other European nations. By stipulating that materials shall be of American origin the United States will greatly widen its field of foreign trade. Action must be taken immediately, while the United States occupies its premier position in the estimation of the new countries as a result of the part it took in the World War."

Union of the American people for exploiting existing foreign trade advantages was demanded today by J. J. Donovan, of Bellingham, Washington, who declared that the present wealth of the United States could easily be increased many fold if such union existed.

Donovan, speaking on "American Foreign Trade Policy," made a comprehensive analysis of the wealth of the United States, pointing out that in the last two decades American foreign trade had grown from less than a billion dollars to eight billion dollars yearly. He said that this was the best proof that there was no such thing as economic self-sufficiency left to any nation, and that now the United States was definitely a part of the international world of human relationship.

Donovan pointed to the unparalleled development of the weapons of prosperity, namely, production, transportation, communication and finance within the United States, but said that in the last three years this nation was handicapped abroad.

He said that greater wealth would come through a persistent and consistent merchant marine policy, and benefit of American industry.

Nueces Ballots Are Still Safe

CORPUS CHRISTI, June 5.—Nueces county is in line to win the record for "safely keeping" election ballots. Owing to alleged election frauds at the last general election in 1922, all ballots and ballot boxes have been held in the hands of the court of civil appeals since that time. When the grand jury sitting at the last term of court was empanelled, they were instructed to investigate the alleged frauds but it was found the ballots could not be released from the court of civil appeals because of a writ of error having been filed with the state court and the "battle of the ballots" was continued.
The investigation revolves around the office of sheriff of the county, W. F. Johnson claiming he was legally elected to the office.

SAN ANTONIO MAN PRAISES TANLAC

Medicine Corrected Stomach Trouble and Restored Weight Says Filippone.

In almost every case of a run-down condition all the system needs is a good tonic, something to revive the appetite, resuscitate the weak, disease-worn stomach, revitalize the blood and stimulate the vital organs to proper action.
Among the vast number of people everywhere who have publicly expressed their indebtedness to Tanlac for that much needed "lift" which has put them on the road to normal weight, health and strength, is Jos. J. Filippone, 214 Arroyo St., San Antonio, Texas. Mr. Filippone is that genial gentleman who represents the Merchants Transportation Co. as bus dispatcher at the Gunter Hotel. Mr. Filippone has had a most gratifying experience with Tanlac, which he relates as follows.

CONTRACTOR COMPLETES NEW TYPE RESIDENCE

Of particular interest to prospective home builders the News believes is the fact that it has been demonstrated right here in our city that a serviceable, well arranged and artistic home equipped with standard 4 piece plumbing, wired for electricity, fixtures and other conveniences which we have been led to expect in homes costing from upward of \$3000.00 can now be had for less than \$2000.
In line with this paper's policy of furthering in every possible way the building of homes by our citizenship and feeling that there are a great many families who would build were it known that a house of this design could be completely erected for less than \$2000. We recommend that any one interested pay a visit to the house, built for Mr. Manning, located on Titus street just East of Ross.

THE MEXIA DAILY NEWS SPORT PAGE

Pitching Brilliant Ball, Peele Blanks Indians

SEVERAL BRIGHT SPOTS FEATURE THIRD GAME WEDNESDAY

By HECK

Backing splendid pitching by Peel the Gushers handed the Waco Indians a coat of whitewash at the ball yard Wednesday afternoon and thusly took two games of three of the present series.

The Gushers scored one in the first stanza and it was enough to win, but we didn't know it. Green threw out Geppert to open the round. Fowlkes singled to center, Shires took Harding's pop fly for the second out. Butler singled to left and the skipper was held at second. Jones hit a drive to right that Uncle Tom Melver camped under and then dropped the pill while Fowlkes was legging it for the pan with the winning tally. The Gushers added another in the fourth on Ted Jones' drive past Providence for three bases and Heving's single to center. Singles by Butler and Leedy and Jones' double added two in the sixth while hits by Geppert and Butler mixed with Hall's boot and Fowlkes' double added two in the seventh which made the day's total for the local crew. The game had several bright spots from a fielding standpoint furnished by Providence in center field for the Indians who had a real busy day and who turned in some splendid work. Jack Shires the Indian first sacker turned in his usual brilliant game and made an unassisted double play in the fourth when he leaped into the air and snagged Bryan's hard drive and touched Heving on his way down from the catch. Peel was in real trouble in both the second and fifth frames when the bases were loaded with but one out and in each instance received brilliant support by his mates.

The Gushers' infield turned in several splendid plays while the three ball hawks in the outfield snagged several that looked like sure hits. Butler, Fowlkes and Jones led with the artillery while Gus Leedy seems to be getting his eye working by cracking out two hits. Temple opens today for three games starting at 4 p. m. and you fans are missing some real baseball these days as the Gushers are going strong and will soon be at the top of the battle with the best of the association.

Fighters Demands Stopping Matches

By HENRY L. FARRELL
 (United Press Sports Editor)
 NEW YORK, June 5.—Great difficulty being experienced by the promoters in getting champion boxers and outstanding title contenders to accept matches that would make it possible to meet their exorbitant purse demands, leads to the conviction that the 1924 outdoor season will be as drab as last year's was sparkling.

At this time last year the Milk Fund heavyweight show had been staged in New York, and Jess Willard and Luis Firpo, the survivors had been matched to meet in Jersey City on July 12.

Jack Dempsey and Tommy Gibbons had been matched to meet in Shelby on July 4. Pancho Villa and Jimmy Wilde had been matched for the flyweight championship, Kibane had lost his title to Eugene Criqui, and the Frenchman had been matched with Johnny Dundee for the title. Benny Leonard had been matched with Lew Tindler for the lightweight championship, and the Harry Greb-Johnny Wilson middleweight championship was in the making.

This year the only outstanding match that has been even suggested up to this time has been the Dempsey-Wills heavyweight championship bout for September, and Dempsey had not accepted terms.

Promoters blame the slump in business on the boxers, and the promoters are held to be responsible by the boxers. Politics and petty fighting between the promoters also has discouraged the game in New York.

Tex Rickard's rivals succeeded in driving him out of New York by beating him to the prize at the two ball parks. Rickard, however, has an ace in the hole in the possession of the Jersey City stadium and in an understanding with most of the boxers that are needed to make the big matches.

Rickard, for instance, has the heavy weight situation "sewed" up through a contract with Harry Wills and first call upon the services of Jack Dempsey, Tom Gibbons and Jack Renault. Firpo, of course, has pulled away from

Wills To Meet Madden In Bout

By HENRY L. FARRELL
 (United Press Staff Correspondent)
 NEW YORK, June 4.—After a dozen or more postponements the Harry Wills-Bartley Madden heavyweight bout is on again for next Monday night. Since the contest was first arranged last winter, Paddy Mullins, the manager of Wills, has been panned for making a bad match. He is still getting the razz now for going through with it.

Wills, of course, has been considered for three years as the outstanding heavyweight challenger because of his size and for the reason that he had never been given a chance for the title. Firpo and Gibbons, the other challengers, had their crack at the title and failed to deliver.

Gibbons had a fair claim for a return bout with Dempsey when he remained erect for 15 rounds against the champion last summer in Shelby.

When he failed to stop Carpenter in Michigan City last Saturday however, he lost all the arguments he had for a return bout and Wills remained

more logical than he ever was the leading contender. Since the Wills-Madden bout was postponed when the fire department condemned Queensborough stadium, Tex Rickard has arranged a Wills-Firpo fight with the promise that the winner can meet Dempsey in September for the title. Wills naturally will have to make a good showing against Madden or the whole program will be upset.

Mrs. W. K. Boyd and baby, Walter, Jr., returned Thursday morning from a visit to Terrell and Dallas.

Mrs. Ernest Watson returned Thursday morning from a brief and pleasant visit in Dallas.

J. Walker of Kosse was in Mexia Tuesday.

J. L. Day, Limestone County Clerk was a local visitor Thursday.

Family Is Held On Charges Of Robbing Bank

TULSA, Okla., June 4.—Elmer Deere, his wife and sixteen-year-old son, Roy Deere; W. J. Elder and his wife, were held here today by police for the robbery of an Arkansas City, Kansas, bank last Friday when \$12,000 was taken.

\$1,700 in currency, \$1,800 worth of diamonds, a quantity of morphine, two revolvers, a high power rifle and several grips and trunks were seized when the suspects were arrested.

Charges of bank robbery against the elder Deere and Elmer were filed at Winfield, Kansas, according to police information here and Kansas authorities are expected here today.

OTHER SPORTS ON PAGE EIGHT

New Treatment For Varicose Veins And Ulcers

Swollen veins are dangerous and often burst. Sufferers are advised to get a two-ounce, original bottle of Emerald Oil (full strength), at any pharmacist and start to reduce the veins and bunched at once.

Physicians recommend Emerald Oil; it is used in hospital practice and a small bottle will last a long time, because it is very concentrated and a little goes a long way. Apply night and morning with a soft brush as directed until the swelling is reduced to normal.

So marvelously powerful is Emerald Oil that swollen glands and even goitre disappear when used steadily. —(Adv.)

The Romance That Will Live Forever!

Scenario by
Elinor Glyn
Continuity by
Carey Wilson

*The world has waited to see Elinor Glyn's
immortal romance on the screen.*

*Now it comes to you, made into a brilliant
motion picture production, beautiful, dramatic.*

*Those who loved the book will find the pic-
ture even more thrilling.*

*"Three Weeks" is one of the most talked of
novels of recent years. Everything that made
the book a sensation is here in the film. The
deathless devotion of the handsome youth for
the Lady of Mystery is a thrilling narrative
that you will treasure forever in your memory.
Elinor Glyn's pictured story is already the
most discussed photoplay now showing on the
screen. Come one come all.*

Brookhart Wins Over Sweet In Iowa Elections

DES MOINES, Iowa, June 4.—United States Senator Brookhart defeated Burton E. Sweet for Republican Senatorial nomination in Iowa on the face of nearly complete returns from Monday's primary election.

Brookhart early today had pulled away from Sweet to a majority of more than 30,000 votes. Returns from 2,322 precincts of 2,113 in the state gave Brookhart 188,341 and Sweet 157,921.

The remaining precincts to be heard from are largely in the rural communities and are expected to swell Brookhart's lead rather than subtract from it.

New Ford Lease Has Been Adopted By O. & G. Ass'n.

The Legal Committee of the Mid-Continent Oil & Gas Association has revised the lease form known as "Mid-Continent 88," originally issued by the Mid-Continent Oil & Gas Association and has added a new provision providing for a Trustee to receive royalties and rentals where the royalty is divided up into more than four parts. Certain other amendments were incorporated with the idea of making this lease the most explicit definition of the reciprocal rights and duties of the lessor and lessee in existence. The Legal Committee believes that the adoption of this lease by lessors and lessees generally will cut down litigation, prevent misunderstandings and promote the efficient and harmonious conduct of the oil producing business in all states of the Mid-Continent field. Operators are therefore urged to study this lease and to lay in a supply of the blanks for immediate use. It is also suggested that oil producers in each community see that their local printer is encouraged to print the lease in its present form and have a supply on hand as there will undoubtedly be a large demand for it.

It is contemplated to hold a meeting of the representatives of the various land departments in the near future for the purpose of analyzing this lease and promoting its general use in place of the various other forms which are in many respects ambiguous and obsolete.

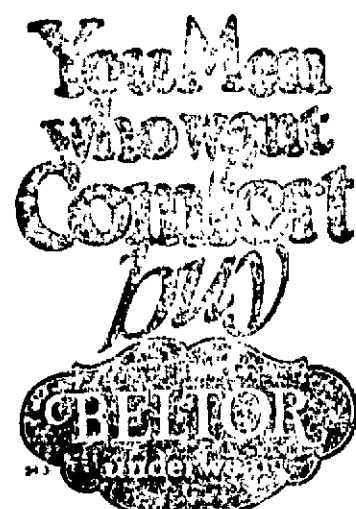

In case an immediate supply is needed, the same may be obtained from the Midwest Printing Company or the Olds Press of Tulsa. It will also soon be available in other cities and towns of the Mid-Continent field.

Hardware Men Meet in Houston

STON, June 5.—Members of the Texas Hardware and Implement Dealers' Association of District No. 6 will assemble in Houston on June 12 and 13 for their annual district convention, according to D. Seates, chief of the engineering department of Texas A. & M. College. Corpus Christi will be the meeting point for District No. 11 of the same organization, on June 7. J. H. Ewing will be chairman of the meeting at the former city and J. W. Hall will preside in Houston. The meetings will be devoted to the consideration of various business.

MOTHERHOOD!

Waco, Texas.—I am well pleased with the benefits which I received from the use of Dr. Pierce's Favorite Prescription. "My babe is now thirteen months old and I can truthfully say that I feel the 'Favorite Prescription' doing exactly what I expected and that it was a very great benefit to me. I also took it after I became a mother and it built me up in strength and helped me in every way. My babe is stout and healthy."—Mrs. H. E. Allen, 2021 S. 5th St., Waco, Tex. ELINOR GLYN'S MESSAGE ABOUT "THREE WEEKS"

By ELINOR GLYN
 (Mrs. Glyn, who aided Director Alan Crosland in filming for Goldwyn Corporation her novel, "Three Weeks," the screen version of which comes to the National Theatre on Thursday for three days, has written the following message to the public.)

I do not think it is often that an author can say that his work has been correctly interpreted on the screen—and that is why it gives me so much pleasure to tell of the making of "Three Weeks"—which goes out all over the world just as I meant it to be, the story of a great love, not a sensual record of passion. Friends of the book will now have the opportunity of seeing it in pictures. And, if at first they do not recognize the opening scenes as belonging to the story, it is because they were only vaguely alluded to in one or two chapters, not actually described. But they were in my mind, and they show the home environment of "The Lady," the ugly life in the Palace that she was obliged to endure with the dissolute King, her husband in name only. And when that is established, we then get to Paul's home, Verdaine Place, in peaceful England, on the eve of his departure for a trip abroad, to forget that humorous boyish calf-love affair with Isabella, the Princess's worthy daughter! And from then onward, the picture moves exactly as the romance in the book moves—only condensed for the exigencies of the silver sheet—but the spirit is there—the spirit of tenderness, love and passion—and love's twin sister—sacrifice, and so to the final tableau, when the spirit has risen beyond earthly things, and brings rest and consolation. The lady paid the price of breaking the law of man—with her life—but love's eternal flame burned on.

Every scene has been a joy to make. I wrote the scenario in England, and came to California six months ago to begin production. I wanted to get into it all the salient points of the book, and yet carry it along with that sustained interest, which is so necessary in a cinema. And with the able assistance of Mr. Carey Wilson, we made what I hope is a live-wire continuity together.

Then perfect types had to be found for the various parts. I never had a doubt about Aileen Pringle for "The Lady." She represents exactly what I want my Queen to mean—a person of dignity and refinement, with the passion of the Slav, and none of the vulgar vamp allurements which some mistaken people wove into the idea of the part.

DON'T TRY TO RAISE your family without it. For stomach aches and pains; sudden cramps; severe intestinal colic and indiscretions of eating and drinking; changes in water, diet or climate, take

 Never fail to have it on hand.

Leading Golfers Tuning Up For National Meet

DETROIT, Mich., June 4.—Tuning up preparatory to the start of the National open golf tournament which opens here tomorrow, some of the country's leading golfers played practice rounds over the Oakland Hills course today.

Bobby Jones, defending his title, and Jock Hutchison are paired for the opening rounds. Other pairings include Walter Hagen and Robert Cruikshank, runnerup to Jones last year, and Gene Sarazen and MacDonald Smith.

Play begins at 8:30 a. m. each day and the last players tees off at 4 p. m. Each contestant plays 36 holes. Forty-five contestants—those who qualified at Oak Park, Illinois, and Worcester, Mass., last week are on the list.

B. Y. P. U. ENCAMPMENT PROGRAM UNDER WAY

At the Baptist encampment today at the Reunion Grounds, the program is getting well under way. Many from all parts of the county and section are attending and gathering the inspiration from attendance upon the services given through the day and at night. The public is invited to attend all these services.

Many participated in the parade advertising the event which was given Tuesday afternoon through the streets of Mexia.

Prim Prest.

Repsinated Calomel Is Better than the Old-Time Sickening Kind

It is gentle, imported English Calomel, combined with Pepsin and other helpful ingredients. It is mild but certain, causing no harshness or unpleasantness and will absolutely relieve indigestion, biliousness, bad colds, constipation and sick headaches. And best of all it does it at once—quickly and pleasantly. Take one small tablet at bed-time and you will get up hungry and feeling fine. Recommended by Bennett's Drug Store.

NOTICE OF CHARTER ELECTION

An ordinance ordering an election in the City of Mexia, Texas, to be held on the 7th day of July, 1924, for the purpose of submitting to the qualified voters of the City of Mexia, Texas, for the adoption or rejection of the proposed charter, prepared and framed by the Charter Commission heretofore elected, and designating the places at which said election is to be held, and appointing presiding officers thereof and de-

claring an emergency.

WHEREAS, on the 11th day of February, 1924, the City Commission of the City of Mexia, Texas, duly enacted an ordinance, submitting to the qualified voters of said City, at an election ordered and held for the purpose, on the 18th day of March, 1924, the question: "SHALL A COMMISSION BE CHOSEN TO FRAME A CHARTER?" and also providing for an election of fifteen members of a charter commission in case a majority of the votes cast at such election should be in favor of the choosing of such a commission, and which ordinance was duly approved and published and notices of such election were duly given as required by law; and

WHEREAS, said question was duly submitted and voted upon at said election in said city on said date, and the majority of the qualified voters voting at such election voted in favor of the choosing of a commission to frame a charter, and also a majority of the qualified voters voting at said election, voted in favor of fifteen citizens of said city to compose said Charter Commission; and

WHEREAS, said election was duly and legally held on the 18th day of March, 1924, and results of said election were duly certified and returned to the City Commission by the proper election officers; and

WHEREAS, on the 21st day of March, 1924, this commission considered the several returns and canvassed the same, and found that there were cast, at said election, six hundred twenty-seven (627) votes, of which number five hundred five (505) votes were cast for the choosing of a charter commission, and one hundred twenty-two (122) votes were cast against the choosing of a charter commission, and this commission thereupon, by resolution, duly entered, declared that the proposition so submitted was sustained and adopted by a majority vote of the qualified voters of said city, voting at said election; and

WHEREAS, the City Commission of the City of Mexia, Texas, has examined into and investigated the regularity of the proceedings for said election and finds that the same was duly and legally held, and that said election was conducted in strict conformity with all the requirements of law; and

WHEREAS, each and all of said fifteen citizens, so elected, duly qualified as members of said charter commission, and met and organized the same, and duly proceeded to frame a charter for the City of Mexia, Texas, and hereto-

fore, on the 27th day of May, 1924, as such commission, signed such proposed charter and duly provided for the submission of the same to a vote of the qualified voters of said City, at an election to be held upon the question of the adoption or rejection of such charter upon the 7th day of July, 1924; and

WHEREAS, the said Charter Commission provided that the present City Commission shall call an election for such purpose; and

WHEREAS, the said Charter Commission will ratify and confirm and make the enactment of this ordinance its act and deed, and will make such ordinance its order for such election, all of which will be evidenced by the signature of the members of said Charter Commission appended hereto under the words: "APPROVED BY CHARTER COMMISSION"; therefore,

BE IT ORDAINED BY THE CITY COMMISSION OF THE CITY OF MEXIA, TEXAS:

Section 1. That an election shall be held in the City of Mexia, Texas, on the 7th day of July, 1924, at which the following proposition shall be submitted:

"Shall the charter reported by the Charter Commission to the City Commission of the City of Mexia, Texas, on the 27th day of May, 1924, and which had been prepared by the Charter Commission duly elected by the qualified voters of the city of the 18th day of March, 1924, be adopted as the charter of the City of Mexia, Texas, as contemplated and authorized by the Constitution and laws of the State of Texas, including Chapter 147, Acts of 1913, Regular Session?"

Section 2. That the polling places and presiding officers of said election shall be, respectively as follows: the polling place shall be at the City Hall, in the City of Mexia, and W. B. Kendrick is hereby designated as presiding officer.

Section 3. That said election shall be held under the provisions of Chapter 147, Acts of 1913, Regular Session, and all persons qualified to vote in said City under the laws of this State regulating general elections shall be allowed to vote.

Section 4. That the manner of holding said election shall be governed by the general laws of the State of Texas, regulating general elections, when not in conflict with the provisions of the law hereinabove referred to.

Section 5. All voters desiring to adopt a charter so prepared and reported by the Charter Commission shall have printed on their ballot the following:

OFFICIAL BALLOT
 "For the adoption of the Charter

prepared by the Charter Commission duly elected on the 18th day of March, 1924, and which was reported by said Charter Commission to the City Commission of the City of Mexia on the 27th day of May, 1924."

And those opposed shall have on their ballots the following:

"Against the adoption of the Charter prepared by the Charter Commission duly elected on the 18th day of March, 1924, and which was reported by said Charter Commission to the City Commission of the City of Mexia on the 27th day of May, 1924."

Section 6. That the action of the aforesaid Charter Commission in calling the election for the purpose hereinabove stated, and in all other respects with reference to the framing and submitting of such proposed charter, are hereby ratified and confirmed, and the said Charter Commission, or the members thereof, shall ratify and confirm all things done by the present City Commission of the City of Mexia, Texas, with respect to the matters and things dealt with in this ordinance, and shall make the same their act and deed by subscribing their respective names hereunto under the caption, "APPROVED BY CHARTER COMMISSION," and such names as so subscribed shall be published as a part of this ordinance.

Section 7. A copy of this ordinance shall be sufficient notice of said election, and thirty (30) days notice of the time and place of holding the said election shall be given by posting certified copies thereof at the

places designated for holding said election at least thirty (30) days prior to the holding of said election, and by publication of such notice not less than thirty (30) full days from date of election.

Section 8. The fact that the City of Mexia is at the present time without a charter and that the public interests require the adoption of a charter, creates an emergency and an imperative public necessity for the suspension of the rules requiring ordinances to be read upon more than one day and for the immediate taking effect of this ordinance, and such rules are hereby suspended, and it is ordained that this ordinance shall take effect immediately upon its passage and approval.

Passed and approved this 27th day of May, 1924.

E. WATSON,
 Mayor of the City of Mexia, Texas.

FIGHTS AND FIGHTERS NEW YORK, June 5.—Sid Barbarian, Detroit lightweight, won a 12 round decision from Jack Bernstein New York.

NEW YORK.—Gene Tunney, American light heavyweight champion, will accept an offer to meet Tommy Gibbons, according to an announcement by Billy Gibson, his manager.

BOSTON.—Jock Malone, St. Paul middleweight and Frank Moody, England, have been matched to meet in a ten round bout here on June 13.

WATCHING THE SCOREBOARD Scott's fumble and a wild pitch by Bush let in two runs and the White Sox beat the Yanks 4 to 3, the champions dropping out of first place.

Bad fielding by the Browns and opportune hitting by the Red Sox gave Boston a six to five victory and nosed the Yanks out of the lead.

Fothergill's single in the tenth inning with the bases filled gave the Tigers a six to five victory over the Senators. The Athletics moved out of last place by beating the Indians six to five.

Getting 19 hits off five pitchers the Cards beats the Phils 15 to 5.

The joint recital by pupils of Mrs. L. C. Strange and Mrs. Sam Werner will be given at the Methodist church Friday night, to which the public is cordially invited.

Principal R. M. Andrews of the Mexia High School will leave in a few days for Chicago, where he will attend the University of Chicago during the Summer months.

Judge Fountain Kirby of Groesbeck was in Mexia Tuesday.

SPORTLIGHTS The Gushers came back Wednesday afternoon and got revenge for the loss of the first bill of the double header to the Waco Indians and took the final game of the series, making it two out of three from the Melver men, 8 to 0.

The Gushers grabbed ten hits off of the delivery of Newground Green and they all came at the opportune moment too. They scored their first one in the initial round when with two men on and two down, Melver dropped Jones' long fly to right and Fowlkes scored.

Peel, rookie twirler from Heane, pitched an excellent brand of ball coming out of several holes that made things look very black for the youngster. On three occasions with the bases full and only one down he, with the valuable help of the fielders, came through without a score coming across the platter.

Ted Jones, third sacker de luxe for the Gushers, hit a pretty triple with no one on but he came across the plate a few moments later on a hit.

Old Newground Green, who would set the world on fire if he was as good as he is on paper, breezed along contentedly for the first four or five rounds but the Gushers gave him plenty of work in the later innings.

Old Folks Strickland was the only one who could find the offerings of Everett Peel and he got a couple of two base hits.

An oddity of the game was that up to the sixth inning for the Indians only Province and Shires were credited with putouts, Shires having nine and Province six.

The Temple Surgeons will play at the ball orchard this afternoon and the Johnsonites will put up a hard fight for the tossing contest.

The Waco Indians left last night for a three-game series with Corsicana.

The "Umps" put it over the crowd twice Wednesday, slipping in his comedy at the end of his announcements before anybody had a chance to get back at him. Mr. Price has a keen sense of humor. It's worth the price of a game to hear his say, "Ithanku."

There are two golfers in Mexia who are setting the links afire with their high scores. Each member of the country club affirms that it is Hardy Eubanks and himself which calls to mind the story written from Germany by an overseas man who said that there were only two vegetables raised in Germany and both of them were cabbage.

Ben Howard has some brand new signs stuck up around the country club and none of them have yet been

Summer School and Normal To Attract Many Students Through The Vale Of the Shenadoah With "Slyboots"

(Continued from Page 1) ing each school week. Recitations begin at 7:15 a. m. and close at 12:30 and will close August 7.

More than 100 teachers and students are expected to attend the school and the normal, that many having already signified their intentions to that effect. Most of those who have written to the Conductor are ladies, however, quite a number of men are expected to reach the college Monday of next week, the date registration begins.

About the Courses Subjects leading to all certificates will be taught.

Certificates may be secured under the law of 1920; under the new law; or by college credits.

A list of texts required will be found in this bulletin.

These textbooks may be purchased from the College Book Store.

Courses for college credit in Chemistry, Education, History and Mathematics will be offered. This work is so arranged that you may earn 108 term-hours in nine weeks. Each course will be equal to 12 hours a week. Fifteen hours a week is all that a student ought to plan for.

High school credit work will not be offered, but those who want to review high school subjects may do so with the Summer Normal classes. College entrance examinations will be given at the close of the summer session under supervision of college teachers.

About the Cost Summer Normal tuition will be \$20.00 for the term of nine weeks. Tuition on college subjects will be the same as during the regular session.

Board and room at the dormitories will be \$6.25 a week. There will be opportunity for a limited number to earn part of their board. For particulars write to Mrs. Robert Dorniny.

Worn down or defaced. It will be worth many dollars to every club member to read them.

From the interest being shown now in games by neighboring towns in baseball, the Gushers will likely find some mighty good material for 1925 right around here close by. There's some fast work and real baseball talent in evidence and Gusher Scouts will soon be making their reports.

Through The Vale Of the Shenadoah With "Slyboots"

(Continued from Page 1) ing his hand. It was a magic day when June had come over the hills to fill the world with joy. The Valley slopes gently form the base of the mountains into a great plain that is thickly inhabited and intensely farmed. It lies in a rolling sweep as far as the eye can reach and the picture is one never to be forgotten. It never tires the eye and one's brain is in a whirl of ecstasy, drinking into his soul the Master piece of a Divine Hand. Just as I was awed by all this nature dream I swept into an open space over a mountain road with large stone castle-like buildings in the distance that reminds one of Robin Hood's exploits and I was there greeted with the boom of cannon and the crack of rifles—a pall of smoke lay over the peaceful valley and I half decided that I had been with Mr. Gulliver on one of his rambles, and that it was all a dream. But on inquiry at the big stone gate down by the road I found it was a sham battle between two military colleges. From there on the hum of the motor seemed to play an accompaniment to my dancing fancies as they would play from one side of this wonderland to the other. Until finally into the twilight my picture of amazement was melting into the lap of slumber as evening pulled the curtain of night across the scene and hid from view thru the Blue of the Ridge the peaks in their reposing splendor. It was just a speck of life in time's great wilderness.

HIGDON-McELROY COMPANY

JUNE CLEARANCE OF PIECE GOODS

It is hardly necessary to dwell at length on the range of fabrics, colorings and patterns shown in this assortment, for our piece goods section is well known for the excellence of its merchandise—enough to say that every piece has received a deeply cut sale price as the following representative items show.

VOILES—
—In plain colors, cool and airy—regular 75c quality. —Yard 49c

FINE ORGANDIES
—Every wanted shade—regular \$1.00 value. —Yd. 50c

EMBROIDERED TISSUES—
—Unusually fine quality—fast colors, always sold for 98c yard; now Half Price. —Yard 49c

FANCY VOILES—
—A most popular fabric this season. Dots, plaids and figures. Many different shades, regular 50c value, now —Yard 35c

TISSUE GINGHAMS—
—Extra quality at 65c—priced now at— —Yard 49c

FIGURED DIMITIES—
—An excellent summer fabric—priced unusually low. —Yard 39c

BEAUTIFUL WASH VOILE—
—A fine sheer summertime fabric, colors absolutely fast. Figures and stripes. Well worth 75c, now selling at— —Yard 29c

WHITE GOODS SPECIAL—
—Choice of twenty pieces of madras, pique and skirting, values up to 65c now selling at —Yard 35c

GINGHAMS SPECIALLY PRICED—
75 bolts of 50c gingham, now per yard.....35c
50 bolts of 35c gingham, now per yard.....24c
50 bolts of 25c gingham, now per yard.....18c

BUTY CHYNE—
—A soft silky mercerized cotton fabric, wonderful color line, fine for princess slips and all underthings. Priced regular at \$1.00, now —Yard 79c

LADIES HANDKERCHIEFS—
—Large assortment in packages of four—values up to 35c each, now— —Four for 50c

ALL PURSES AND BAGS—
—AT UNUSUALLY LOW PRICES. ASK TO SEE THEM.

UNITED STATES TIRES ARE GOOD TIRES

Well Shod Motors

IN addition to outstanding advantages in service—Royal Cord Tires add to the appearance of any car.

These long-wearing, handsome tires never seem to look down at the heel—no matter how far they have gone.

Part of this is due to their perfectly balanced construction and part to the use of latex treated cords. This new patented latex treatment is a major contribution on the part of the makers of

Royal Cords to better tire service. It is the outstanding tire development of today.

You get the benefit of it in all Royal Cord Tires whether you buy the standard high-pressure type—the full Balloon for 20, 21 and 22 inch rims or Royal Cord Balloon-Type Tires built to fit present wheels and rims.

Consult your dealer about the type for your car but insist on Royal Cords.

United States Rubber Company

U.S. Tires are the only tires in the world made of cords solutioned in rubber latex.

Texas Farmer Killed When Plane Falls On Him

He proposed as an immediate solution of disposing of the problem of using America's large stock of gold, in loans, the formation of debenture corporations composed of leading manufacturers, co-operating with banks. He said these two would act as a constraint.

(Continued on Page 3.)

never to be warped in comparison. The Valley was knee-deep in June as the writer rode on. The farms with their green grass and growing crops—with the cherry trees and apple orchards waving a welcome to all seemed to set in a frame with the giant mountains on each side forming a back-ground of *lofty grandeur*. From a valley home on the slope with its flowers and lawn you would rush by some mountain stream and the swish of a water fall would bring to memory the song of a mermaid. Then the Silver Maples in the spring breeze turning their "silver-sides" as you rushed by would make you think that Pan—the god of nature—was wooing a forest Leccante and that thru sheer delight she was dancing her heart out. I also thought that is one reason "use humans" or where we get our desire to dance. For doesn't nature dance to the music of the universe. Then before your eyes, a turn in the road brings you face to face with the giants of the earth—all robed in green and lifting their heads far into the blue. Then a cloud slowly crawls over the side casting shadows in scrolls as if wrought by the hand of some Titan Chief in fantastic forms as if an Angelo of the sky was directing—
(Continued on Page 8)

While in Waco Wednesday, S. H. Flake, called on the deputy income tax collector's office and enquired regarding the second payment on income taxes.

He stated that the reports regarding how to make this payment is unofficial and, therefore, should be discounted. He recommends that those paying income taxes should wait until an official announcement is made. Just as soon as Mr. Flake gets anything on the subject, he will give it to the public through The News. Mr. Flake made this announcement at the Rotary luncheon today.

THE EDITORIAL OF THE DAY

IRRESPONSIBLE PARENTS

Many favorable comments have been passed upon a message signed by the Berry-Barnett Wholesale Grocery Company which appeared recently in The News under "Letters from the People." The statement generally heard is that the article was indeed timely and that parents need to give heed to the truths uttered.

Parenthood is truly a great responsibility. Most parents are fully aware of this. One hears much of the influence of a good mother and a good father on moulding the character of their children, but one seldom hears a parent reproached for the delinquencies of the boy or girl who brings disgrace upon the home and dishonor to the community.

It is doubtless the case that many sink through life who have never had a chance in their struggle with the world for the simple reason that they entered life's arena through an unworthy home where they were crushed out to start with. They had been neglected by cruel and capricious and unconcerned parents. No one desires to attempt to detract from the glory of a father or a mother but it is well for men and women with growing families to realize that they hold within their power the opportunity to make or mar the lives of the formative youth in their keeping.

It is true that in many respects, this is an age of headstrong youth; a time when the family ties are weak; a period when more young people than ever before are said to be breaking from home influences into evil company and bad environments.

It was surprising a few days ago to see a cartoon by one of the foremost cartoonists of America appearing on the front page of a great daily newspaper in Texas, which purported to eulogize the mayor of one of Texas' largest cities when he endorsed roadside petting parties. One of the citizens of that city took issue with the mayor and also with the cartoonist in a letter which was afterwards published and in which they were advised that if they thought they told the truth when they said conditions were not as bad as the public had been told for them to go out on the roads and do a little personal investigation themselves.

Home should not be a place of torment. Every member of a family should enter into the spirit of creating an atmosphere conducive to happiness, a place to attract rather than of to drive away.

Parents need to be firm, realizing that they owe to their own blood and to their race and nation the duty of rearing sons and daughters properly and treating them justly.

W. D. PITTMAN VISITS SCENES OF HIS YOUTH

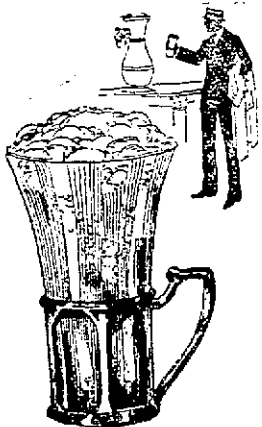

W. D. Pittman, who recently returned from a two weeks vacation spent in Louisiana reports that he had a very enjoyable time visiting old friends and relatives. While away he visited in Oakdale, Wilda, Gorum, Robaline, Leesville, Lake Charles and Annaco county, La., where he met many old time friends and relatives, companions of his school days, and he feels better for having made the trip.

"Buy It Here For Less"

AULTMAN MAKES STATEMENT TO VOTERS OF DISTRICT

(Continued from Page 1)

ment. All good and right thinking citizens are vitally interested in establishing and maintaining correct principles and in the actual practice of right conduct and ideals, thereby letting mere professional pass; we need them no more. We all desire a close touch with governmental affairs. We are fast turning from and rising out of our sin of civic sleepiness and carelessness.

What is politics? What is our conception of politics? Is politics a mere game to determine whether the people of one group or combination may have the upper hand of another group or combination? Is it a game for personal advancement of one person or group, whether such advancement be financial, moral, or otherwise? Or is politics an effort to make a fair and equitable adjustment of human rights and relations in every sphere of life?

Politics is not a machine, ring or clique that does not pay the least regard in its private councils, caucuses and understandings,—to democratic principles and tenets; it is not a common league, organized and operating against public interest. The democratic party can be no better, nor attain a higher ideal and standard than its local and state machinery. The machine is operated by some of the people; but no few people know what is best for all the people. The voters themselves are the democratic party.

If granted and existing conditions are good for a few in any community,

then the same conditions will be good for every one of the community. It is easier to bless many than a few,—as well as better. So, let us all have the blessing. Since government and law enforcement reflect nothing more than the standard of conduct of the majority in any community, then what standard is or shall be is merely a matter of education and understanding of each other in the community.

The constitution of Texas is that governmental standard over us all; it is, so to speak, our governmental parent, and, therefore, the educator and protector of all Texans. It is the sinews and bone of our political body. It counsels with the father's son; it sympathizes with the mother's

daughters. But it punishes only when all counsel is disobeyed, and then it is penalized and punished more severely than the disobedient citizen; that is, the constitution,—our governmental parent,—is hurt more by withdrawing citizens from active producing and housing them in the penitentiary at a loss,—it being the necessary evil that protects those citizens who strive to do right and uplift their fellow men. The father who protects the constitution and laws best guides his son best; the mother who maintains the standard of true womanhood and upholds the standards of conduct established and proclaimed by our constitution and laws counsels her daughter best, for she is a living example of

noble life.

I am a candidate for the office of District Attorney for the 77th Judicial District court of Limestone and Freestone Counties. If you support me by your ballot and elect me to that office and then support me with your moral force, God being our helper, we will uphold the Constitution of Texas and enforce the laws in this district. I solicit the vote of every citizen in the district at the primary election July 26th, and if you elect me to that office of trust, I will not break faith nor will I betray the confidence and trust you place in me.

LUTHER B. AULTMAN,
Candidate for District
Attorney 77th District of
Texas.

RHEUMATISM Leaves You Forever

Deep Seated Uric Acid Deposits Are Dissolved and the Rheumatic Poison Starts to Leave the System within Twenty-four Hours.

Every druggist in this county is authorized to say to every rheumatic sufferer that if a full pint bottle of Allenru, the sure conqueror of rheumatism, does not show the way to stop the agony, reduce swollen joints and do away with even the slightest twinge of rheumatic pain, he will gladly return your money without comment.

Allenru has been tried and tested for years, and really marvelous results have been accomplished in the most severe cases where the suffering and agony was intense and pitiful and where the patient was helpless.

Mr. James H. Allen of Rochester, N. Y., the discoverer of Allenru, who for many years suffered the torments of acute rheumatism, desires all sufferers to know that he does not want a cent of anyone's money unless Allenru decisively conquers this worst of all diseases, and he has instructed druggists to guarantee it as above in every instance. Anderson & Horn can supply you. (adv.)

DEMANDS U. S. LOANS BE SPEN IN THE UNITED STATES

(Continued from Page 1)
trolling body over such loans. Remington said:

"Foreign loans are the best means of developing foreign trade. In seeking fields for wider markets this nation naturally turns to undeveloped countries which, being without funds, have no purchasing power. It is evident, that in order to become customers, such countries must raise funds through foreign loans. It is almost invariably the rule that foreign trade follows foreign loans, and it is a well established policy of Great Britain to loan only on condition expenditures for materials are made for British products. Whether or not such a stipulation is made in the loan agreement is of minor importance, because the facts show plainly that money borrowed in Great Britain for purchase of manufactured articles is actually spent for British products exclusively. This practice in connection with foreign loans made by Great Britain is followed by other European countries in making loans.

"It appears, therefore, that where an undeveloped country secures a loan through one of the European nations, the manufacturers of the United States are effectually barred from furnishing materials to be purchased under that loan.

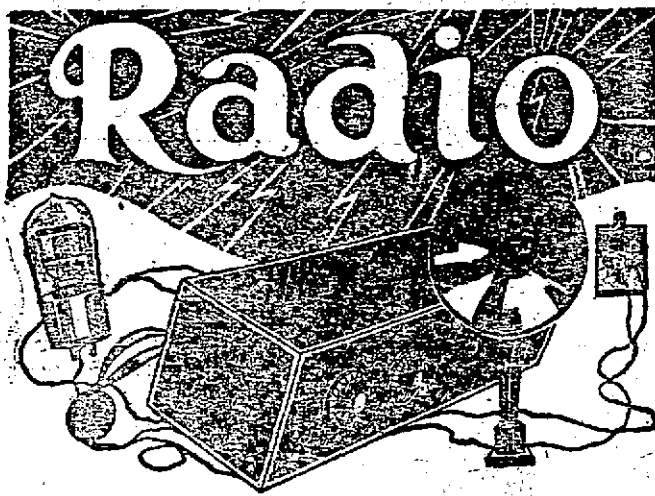

"The most formidable bar to placing foreign loans in the United States is that the American investor is not interested or posted on foreign issues. It is, therefore, difficult to market them in this market unless they be government loans of the 'older nations.' If this formidable impediment can be overcome, then the United States will be in a position to make foreign loans in competition with Great Britain and other European nations. By stipulating that materials shall be of American origin the United States will greatly widen its field of foreign trade. Action must be taken immediately, while the United States occupies its premier position in the estimation of the new countries as a result of the part it took in the World War."

Union of the American people for exploiting existing foreign trade advantages was demanded today by J. J. Donovan, of Bellingham, Washington, who declared that the present wealth of the United States could easily be increased many fold if such union existed.

Donovan, speaking on "American Foreign Trade Policy," made a comprehensive analysis of the wealth of the United States, pointing out that in the last two decades American foreign trade had grown from less than a billion dollars to eight billion dollars yearly. He said that this was the best proof that there was no such thing as economic self-sufficiency left to any nation, and that now the United States was definitely a part of the international world of human relationship.

Donovan pointed to the unparalleled development of the weapons of prosperity, namely, production, transportation, communication and finance within the United States, but said that in the last three years this nation was handicapped abroad.

He said that greater wealth would come through a persistent and consistent merchant marine policy, and benefit of American industry.

Nueces Ballots Are Still Safe

CORPUS CHRISTI, June 5—Nueces county is in line to win the record for "safely keeping" election ballots. Owing to alleged election frauds at the last general election in 1922, all ballots and ballot boxes have been held in the hands of the court of civil appeals since that time. When the grand jury sitting at the last term of court was empanelled, they were instructed to investigate the alleged frauds but it was found the ballots could not be released from the court of civil appeals because of a writ of error having been filed with the state court and the "battle of the ballots" was continued.

The investigation revolves around the office of sheriff of the county, W. F. Johnson claiming he was legally elected to the office.

SAN ANTONIO MAN PRAISES TANLAC

Medicine Corrected Stomach Trouble and Restored Weight Says Filippone.

In almost every case of a run-down condition all the system needs is a good tonic, something to revive the appetite, resuscitate the weak, disease-worn stomach, revitalize the blood and stimulate the vital organs to proper action.

Among the vast number of people everywhere who have publicly expressed their indebtedness to Tanlac for that much needed "lift" which has put them on the road to normal weight, health and strength, is Jos. J. Filippone, 214 Arroyo St., San Antonio, Texas. Mr. Filippone is that genial gentleman who represents the Merchants Transportation Co. as bus dispatcher at the Gunter Hotel. Mr. Filippone has had a most gratifying experience with Tanlac, which he relates as follows.

CONTRACTOR COMPLETES NEW TYPE RESIDENCE

Of particular interest to prospective home builders the News believes is the fact that it has been demonstrated right here in our city that a "serviceable, well arranged and artistic home equipped with standard 4 piece plumbing, wired for electricity, fixtures and other conveniences which we have been led to expect in homes costing from upward of \$3000.00 can now be had for less than \$2000.

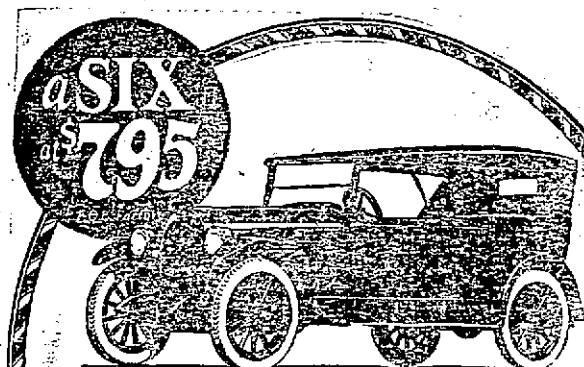

In line with this paper's policy of furthering in every possible way the building of homes by our citizenship and feeling that there are a great many families who would build were it known that a house of this design could be completely erected for less than \$2000. We recommend that any one interested pay a visit to the house, built for Mr. Manning, located on Titus street just East of Ross.

Pitching Brilliant Ball, Peele Blanks Indians

SEVERAL BRIGHT SPOTS FEATURE THIRD GAME WEDNESDAY

By HECK

Backing splendid pitching by Peel the Gushers handed the Waco Indians a coat of whitewash at the ball yard Wednesday afternoon and thusly took two games of three of the present series.

The Gushers scored one in the first stanza and it was enough to win, but we didn't know it. Green threw out Geppert to open the round. Fowlkes singled to center, Shires took Harding's pop fly for the second out. Butler singled to left and the skipper was held at second. Jones hit a drive to right that Uncle Tom Melver camped under and then dropped the pill while Fowlkes was legging it for the man with the winning tally. The Gushers added another in the fourth on Ted Jones' drive past Province for three bases and Heving's single to center. Singles by Butler and Leedy and Jones' double added two in the sixth while hits by Geppert and Butler mixed with Hall's boot and Fowlkes' double added two in the seventh which made the day's total for the local crew. The game had several bright spots from a fielding standpoint furnished by Province in center field for the Indians who had a real busy day and who turned in some splendid work. Jack Shires the Indian first sacker turned in his usual brilliant game and made an unassisted double play in the fourth when he leaped into the air and snagged Bryan's hard drive and touched Heving on his way down from the catch. Peel was in real trouble in both the second and fifth frames when the bases were loaded with but one out and in each instance received brilliant support by his mates.

The Gushers' infield turned in several splendid plays while the three ball hawks in the outfield snagged several that looked like sure hits. Butler, Fowlkes and Jones led with the artillery while Gus Leedy seems to be getting his eye working by cracking out two hits. Temple opens today for three games starting at 4 p. m. and you fans are missing some real baseball these days as the Gushers are going strong and will soon be at the top of the battle with the best of the association.

Fighters Demands Stopping Matches

By HENRY L. FARRELL
(United Press Sports Editor)

NEW YORK, June 5.—Great difficulty being experienced by the promoters in getting champion boxers and outstanding title contenders to accept matches that would make it possible to meet their exorbitant purse demands, leads to the conviction that the 1924 outdoor season will be as drab as last year's was sparkling.

At this time last year the Milk Fund heavyweight show had been staged in New York, and Jess Willard and Luis Firpo, the survivors had been matched to meet in Jersey City on July 12.

Jack Dempsey and Tommy Gibbons had been matched to meet in Shelby on July 4. Pancho Villa and Jimmy Wilde had been matched for the flyweight championship. Kilbane had lost his title to Eugene Criegui, and the Frenchman had been matched with Johnny Dundee for the title. Benny Leonard had been matched with Lew Tendler for the lightweight championship, and the Harry Greb-Johnny Wilson middleweight championship was in the making.

This year the only outstanding match that has been even suggested up to this time has been the Dempsey-Wills heavyweight championship bout for September, and Dempsey had not accepted terms.

Promoters blame the slump in business on the boxers, and the promoters are held to be responsible by the boxers. Politics and petty fighting between the promoters also has discouraged the game in New York.

Tex Rickard's rivals succeeded in driving him out of New York by beating him to the prize at the two ball parks. Rickard, however, has an ace in the hole in the possession of the Jersey City stadium and in an understanding with most of the boxers that are needed to make the big matches.

Rickard, for instance, has the heavy weight situation "sowed" up through a contract with Harry Wills and first call upon the services of Jack Dempsey, Tom Gibbons and Jack Renault. Firpo, of course, has pulled away from

Rickard, but if Firpo fights he will have to fight for Rickard as he could not get a match with any heavyweight who is not under actual obligations to Rickard.

To get a big shot, heavyweights have to accept the opponents that promoters pick for them, but the champions and the headlines in the lighter classes not only want tremendous purses, but they want to meet opponents that will not place them in peril of losing their titles.

One of the "naturals" in prospect is a welterweight championship bout between Mickey Walker, the title holder, and Benny Leonard, the lightweight champion. So many difficulties have been encountered in the making of this match that it is probable it never will be staged.

Leonard wants \$150,000 for his end, and he also wants a look at Walker's contract to see that the welterweight champion does not get any more than he does. Leonard, like several other champions, is not content to get all he can from the promoters, but he does not want his opponents to make any real money off him.

Wills To Meet Madden In Bout

By HENRY L. FARRELL
(United Press Staff Correspondent)

NEW YORK, June 4.—After a dozen or more postponements the Harry Wills-Bartley Madden heavyweight bout is on again for next Monday night. Since the contest was first arranged last winter, Paddy Mullins, the manager of Wills, has been panned for making a bad match. He is still getting the razz now for going through with it.

Wills, of course, has been considered for three years as the outstanding heavyweight challenger because of his size and for the reason that he had never been given a chance for the title. Firpo and Gibbons, the other challengers, had their crack at the title and failed to deliver.

Gibbons had a fair claim for a return bout with Dempsey when he remained erect for 15 rounds against the champion last summer in Shelby.

When he failed to stop Carpenter in Michigan City last Saturday however, he lost all the arguments he had for a return bout and Wills remained

more logical than he ever was the leading contender. Since the Wills-Madden bout was postponed when the fire department condemned Queensborough stadium, Tex Rickard has arranged a Wills-Firpo fight with the promise that the winner can meet Dempsey in September for the title. Wills naturally will have to make a good showing against Madden or the whole program will be upset.

Mrs. W. K. Boyd and baby, Walter, Jr., returned Thursday morning from a visit to Terrell and Dallas.

Mrs. Ernest Watson returned Thursday morning from a brief and pleasant visit in Dallas.

J. Walker of Kosse was in Mexia Tuesday.

J. L. Day, Limestone County Clerk was a local visitor Thursday.

Family Is Held On Charges Of Robbing Bank

TULSA, Okla., June 4.—Elmer Deere, his wife and sixteen-year-old son, Roy Deere; W. J. Elder and his wife, were held here today by police for the robbery of an Arkansas City, Kansas, bank last Friday when \$12,000 was taken.

\$1,700 in currency, \$1,800 worth of diamonds, a quantity of morphine, two revolvers, a high power rifle and several grips and trunks were seized when the suspects were arrested.

Charges of bank robbery against the elder Deere and Elmer were filed at Winfield, Kansas, according to police information here and Kansas authorities are expected here today.

OTHER SPORTS ON PAGE EIGHT

New Treatment For Varicose Veins And Ulcers

Swollen veins are dangerous and often burst. Sufferers are advised to get a two-ounce, original bottle of Emerald Oil (full strength), at any pharmacist and start to reduce the veins and banches at once. Physicians recommend Emerald Oil; it is used in hospital practice and a small bottle will last a long time, because it is very concentrated and a little goes a long way. Apply night and morning with a soft brush as directed until the swelling is reduced to normal. So marvelously powerful is Emerald Oil that swollen glands and even goitre disappear when used steadily. —(Adv.)

The Romance That Will Live Forever!

Scenario by
Elinor Glyn
Continuity by
Carey Wilson

*The world has waited to see Elinor Glyn's
immortal romance on the screen.*

*Now it comes to you, made into a brilliant
motion picture production, beautiful, dramatic.*

*Those who loved the book will find the pic-
ture even more thrilling.*

*"Three Weeks" is one of the most talked of
novels of recent years. Everything that made
the book a sensation is here in the film. The
deathless devotion of the handsome youth for
the Lady of Mystery is a thrilling narrative
that you will treasure forever in your memory.
Elinor Glyn's pictured story is already the
most discussed photoplay now showing on the
screen. Come one come all.*

Brookhart Wins Over Sweet In Iowa Elections

DES MOINES, Iowa, June 4.—United States Senator Brookhart defeated Burton E. Sweet for Republican Senatorial nomination in Iowa on the face of nearly complete returns from Monday's primary election.

Brookhart early today had pulled away from Sweet to a majority of more than 30,000 votes. Returns from 2,322 precincts of 2412 in the state gave Brookhart 188,341 and Sweet 157,921.

The remaining precincts to be heard from are largely in the rural community and are expected to swell Brookhart's lead rather than subtract from it.

New Ford Lease Has Been Adopted By O. & G. Ass'n.

The Legal Committee of the Mid-Continent Oil & Gas Association has revised the lease form known as "Mid-Continent 88," originally issued by the Mid-Continent Oil & Gas Association and has added a new provision providing for a Trustee to receive royalties and rentals where the royalty is divided up into more than four parts. Certain other amendments were incorporated with the idea of making this lease the most explicit definition of the reciprocal rights and duties of the lessor and lessee in existence. The Legal Committee believes that the adoption of this lease by lessors and lessees generally will cut down litigation, prevent misunderstandings and promote the efficient and harmonious conduct of the oil producing business in all states of the Mid-Continent Field. Operators are therefore urged to study this lease and to lay in a supply of the blanks for immediate use. It is also suggested that oil producers in each community see that their local printer is encouraged to print the lease in its present form and have a supply on hand as there will undoubtedly be a large demand for it.

It is contemplated to hold a meeting of the representatives of the various land departments in the near future for the purpose of analyzing this lease and promoting its general use in place of the various other forms which are in many respects ambiguous and obsolete.

In case an immediate supply is needed, the same may be obtained from the Midwest Printing Company or the Olds Press of Tulsa. It will also soon be available in other cities and towns of the Mid-Continent field.

Hardware Men Meet in Houston

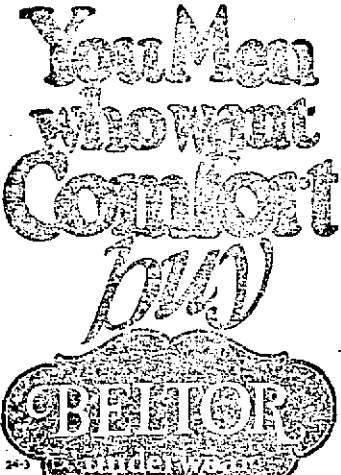

HOUSTON, June 5.—Members of the Texas Hardware and Implement Dealers' Association of District No. 6 will assemble in Houston on June 12 and 13 for their annual district convention, according to D. Seaton, chief of the engineering department of Texas A. & M. College.

Corpus Christi will be the meeting point for District No. 11 of the same organization, on June 7. J. H. Ewing will be chairman of the meeting at the former city and J. W. Hall will preside in Houston. The meetings will be devoted to the consideration of various business.

MOTHERHOOD!

Waco, Texas.—"I am well pleased with the benefits which I received from the use of Dr. Pierce's Favorite Prescription." "My baby is now thirteen months old and I can truthfully say that I took the 'Favorite Prescription' during pregnancy and that it was a very great benefit to me. I also took it after I became a mother and it built me up in strength and helped me in every way. My baby is stout and healthy." —Mrs. H. E. Abner, 2021 S. 5th St.

ELINOR GLYN'S MESSAGE ABOUT "THREE WEEKS"

By ELINOR GLYN
(Mrs. Glyn, who aided Director Alan Crossland in filming for Goldwyn Corporation her novel, "Three Weeks," the screen version of which comes to the National Theatre on Thursday for three days, has written the following message to the public.)

I do not think it is often that an author can say that his work has been correctly interpreted on the screen—and that is why it gives me so much pleasure to tell of the making of "Three Weeks"—which goes out all over the world just as I meant it to be, the story of a great love, not a sensual record of passion. Friends of the book will now have the opportunity of seeing it in pictures. And, if at first they do not recognize the opening scenes as belonging to the story, it is because they were only vaguely alluded to in one or two chapters, not actually described. But they were in my mind, and they show the home environment of "The Lady," the ugly life in the Palace that she was obliged to endure with the dissolute King, her husband in name only. And when that is established, we then get to Paul's home, Verdaine Place, in peaceful England, on the eve of his departure for a trip abroad, to forget that humorous boyish self-love affair with Isabella, the Pearson's worthy daughter! And from then onward, the picture moves exactly as the romance in the book moves—only condensed for the exigencies of the silver sheet—but the spirit is there—the spirit of tenderness, love and passion—and love's twin sister—sacrifice, and so to the final tableau, when the spirit has risen beyond earthly things, and brings rest and consolation. The Lady paid the price of breaching the law of man—with her life—but love's eternal flame burned on.

Every scene has been a joy to make. I wrote the scenario in England, and came to California six months ago to begin production. I wanted to get into it all the salient points of the book, and yet carry it along with that sustained interest, which is so necessary in a cinema. And with the able assistance of Mr. Carey Wilson, we made what I hope is a live-wire continuity together.

Then perfect types had to be found for the various parts. I never had a doubt about Aileen Pringle for "The Lady." She represents exactly what I want my Queen to mean—a person of dignity and refinement, with the passion of the Slav, and none of the vulgar vamp allurements which some mistaken people move into the idea of the part.

DON'T TRY TO RAISE your family without it. For stomach aches and pains, sudden cramps, severe intestinal colic and indiscretions of eating and drinking, changes in water, diet or climate, take

Never fail to have it on hand.

Leading Golfers Tuning Up For National Meet

DETROIT, Mich., June 4.—Tuning up preparatory to the start of the National open golf tournament which opens here tomorrow, some of the country's leading golfers played practice rounds over the Oakland Hills course today.

Bobby Jones, defending his title, and Jock Hutchison are paired for the opening rounds. Other pairings include Walter Hagen and Robert Cruikshank, runner-up to Jones last year, and Gene Sarazen and MacDonald Smith.

Play begins at 8:30 a. m. each day and the last players tees off at 4 p. m. Each contestant plays 36 holes. Forty-five contestants—those who qualified at Oak Park, Illinois, and Worcester, Mass., last week are on the list.

B. Y. P. U. ENCAMPMENT PROGRAM UNDER WAY

At the Baptist encampment today at the Reunion Grounds, the program is getting well under way. Many from all parts of the county and section are attending and gathering the inspiration from attendance upon the services given through the day and at night. The public is invited to attend all these services.

Many participated in the parade advertising the event which was given Tuesday afternoon through the streets of Mexia.

Reputed Calomel Is Better than the Old-Time Sickening Kind

It is gentle, imported English Calomel, combined with Pepsin and other helpful ingredients. It is mild but certain, causing no harshness or unpleasantness and will absolutely relieve indigestion, biliousness, bad colds, constipation and sick headaches. And best of all it does it at once—quickly and pleasantly. Take one small tablet at bed-time and you will get up hungry and feeling fine. Recommended by Bennett's Drug Store.

NOTICE OF CHARTER ELECTION

An ordinance ordering an election in the City of Mexia, Texas, to be held on the 7th day of July, 1924, for the purpose of submitting to the qualified voters of the City of Mexia, Texas, for the adoption or rejection of the proposed charter, prepared and framed by the Charter Commission heretofore elected, and designating the places at which said election is to be held, and appointing presiding officers thereof and de-

claring an emergency.
WHEREAS, on the 11th day of February, 1924, the City Commission of the City of Mexia, Texas, duly enacted an ordinance, submitting to the qualified voters of said City, at an election ordered and held for the purpose, on the 18th day of March, 1924, the question: "SHALL A COMMISSION BE CHOSEN TO FRAME A CHARTER?" and also providing for an election of fifteen members of a charter commission in case a majority of the votes cast at such election should be in favor of the choosing of such a commission, and which ordinance was duly approved and published and notices of such election were duly given as required by law; and

WHEREAS, said question was duly submitted and voted upon at said election in said city on said date, and the majority of the qualified voters voting at such election voted in favor of the choosing of a commission to frame a charter, and also a majority of the qualified voters voting at said election, voted in favor of fifteen citizens of said city to compose said Charter Commission; and

WHEREAS, said election was duly and legally held on the said 18th day of March, 1924, and results of said election was duly certified and returned to the City Commission by the proper election officers; and

WHEREAS, on the 21st day of March, 1924, this commission considered the several returns and canvassed the same, and found that there were cast, at said election, six hundred twenty-seven (627) votes, of which number five hundred five (505) votes were cast for the choosing of a charter commission, and one hundred twenty-two (122) votes were cast against the choosing of a charter commission, and this commission thereupon, by resolution, duly entered, declared that the proposition so submitted was sustained and adopted by a majority vote of the qualified voters of said city, voting at said election; and

WHEREAS, the City Commission of the City of Mexia, Texas, has examined into and investigated the regularity of the proceedings for said election and finds that the same was duly and legally held, that the notice required by law to be given has been duly and legally given, and that said election was conducted in strict conformity with all the requirements of law; and

WHEREAS, each and all of said fifteen citizens, so elected, duly qualified as members of said charter commission, and met and organized the same, and duly proceeded to frame a charter for the City of Mexia, Texas, and hereto-

fore, on the 27th day of May, 1924, as such commission, signed such proposed charter and duly provided for the submission of the same to a vote of the qualified voters of said City, at an election to be held upon the question of the adoption or rejection of such charter upon the 7th day of July, 1924; and

WHEREAS, the said Charter Commission provided that the present City Commission shall call an election for such purpose; and

WHEREAS, the said Charter Commission will ratify and confirm and make the enactment of this ordinance its act and deed, and will make such ordinance its order for such election, all of which will be evidenced by the signature of the members of said Charter Commission appended hereto under the words: "APPROVED BY CHARTER COMMISSION"; therefore,
BE IT ORDAINED BY THE CITY COMMISSION OF THE CITY OF MEXIA, TEXAS:

Section 1. That an election shall be held in the City of Mexia, Texas, on the 7th day of July, 1924, at which the following proposition shall be submitted:

"Shall the charter reported by the Charter Commission to the City Commission of the City of Mexia, Texas, on the 27th day of May, 1924, and which has been prepared by the Charter Commission duly elected by the qualified voters of the City of Mexia, Texas, 1924, be adopted as the charter of the City of Mexia, Texas, as contemplated and authorized by the Constitution and laws of the State of Texas, including Chapter 147, Acts of 1913, Regular Session?"

Section 2. That the polling places and presiding officers of said election shall be, respectively as follows: the polling place shall be at the City Hall, in the City of Mexia, and W. B. Kendrick is hereby designated as presiding officer.

Section 3. That said election shall be held under the provisions of Chapter 147, Acts of 1913, Regular Session, and all persons qualified to vote in said City under the laws of this State regulating general elections shall be allowed to vote.

Section 4. That the manner of holding said election shall be governed by the general laws of the State of Texas, regulating general elections, when not in conflict with the provisions of the law hereinabove referred to.

Section 5. All voters desiring to adopt a charter so prepared and reported by the Charter Commission shall have printed on their ballot the following:

OFFICIAL BALLOT
"For the adoption of the Charter

prepared by the Charter Commission duly elected on the 18th day of March, 1924, and which was reported by said Charter Commission to the City Commission of the City of Mexia on the 27th day of May, 1924."

And those opposed shall have on their ballots the following:

"Against the adoption of the Charter prepared by the Charter Commission duly elected on the 18th day of March, 1924, and which was reported by said Charter Commission to the City Commission of the City of Mexia on the 27th day of May, 1924."

Section 6. That the action of the aforesaid Charter Commission in calling the election for the purpose hereinabove stated, and in all other respects with reference to the framing and submitting of such proposed charter, are hereby ratified and confirmed, and the said Charter Commission, or the members thereof, shall ratify and confirm all things done by the present City Commission of the City of Mexia, Texas, with respect to the matters and things dealt with in this ordinance, and shall make the same their act and deed by subscribing their respective names hereto under the caption: "APPROVED BY CHARTER COMMISSION," and such names as so subscribed shall be published as a part of this ordinance.

Section 7. A copy of this ordinance shall be sufficient notice of said election, and thirty (30) days notice of the time and place of holding the said election shall be given by posting certified copies thereof at the

places designated for holding said election at least thirty (30) days prior to the holding of said election, and by publication of such notice not less than thirty (30) full days from date of election.

Section 8. The fact that the City of Mexia is at the present time without a charter and that the public interests require the adoption of a charter, creates an emergency and an imperative public necessity for the suspension of the rules requiring ordinances to be read upon more than one day and for the immediate taking effect of this ordinance, and such rules are hereby suspended, and it is ordained that this ordinance shall take effect immediately upon its passage and approval.

Passed and approved this 27th day of May, 1924.

E. WATSON,

Mayor of the City of Mexia, Texas.

BIBLE COUPON

Two distinct styles of this wonderful Book of Books have been adopted for this great newspaper Bible distribution. One is the far-famed Red Letter Bible (Christ's sayings printed in red for immediate identification), and the Black Print Bible for those who prefer that style.

Only Three Coupons and the Mere Nominal Cost of Manufacture and Distribution

Clip this coupon and Style A—Red Letter Bible, over two others and present to the publisher, or mail them to this paper with the sum of three coupons and only set opposite either Style B—Black Print Bible. Rush possession of your limp black seal grain cover, red edges, medium large type, sturdy and durable, three coupons and only 98c

Mail Orders: Send amount for Style A or Style B, with three of these coupons, and includes 13 cents additional for postage and packing.

FIGHTS AND FIGHTERS

NEW YORK, June 5.—Sid Barbarian, Detroit lightweight, won a 12 round decision from Jack Bernstein New York.

NEW YORK.—Gene Tunney, American light heavyweight champion, will accept an offer to meet Tommy Gibbons, according to an announcement by Billy Gibson, his manager.

BOSTON.—Jock Malone, St. Paul middleweight and Frank Moody, England, have been matched to meet in a ten round bout here on June 13.

WATCHING THE SCOREBOARD

Scott's fumble and a wild pitch by Bush led in two runs and the White Sox beat the Yanks 4 to 3, the champions dropping out of first place.

Bad fielding by the Browns and opportune hitting by the Red Sox gave Boston a six to five victory and nosed the Yanks out of the lead.

Fothergill's single in the tenth inning with the bases filled gave the Tigers a six to five victory over the Senators. The Athletics moved out of last place by beating the Indians six to five.

Getting 19 hits off five pitchers, the Cards beats the Phils 15 to 5.

The joint recital by pupils of Mrs. L. C. Strange and Mrs. Sam Werner will be given at the Methodist church Friday night, to which the public is cordially invited.

Principal R. M. Andrews of the Mexia High School will leave in a few days for Chicago, where he will attend the University of Chicago during the summer months.

Judge Fountain Kirby of Groesbeck was in Mexia Tuesday.

SPORTLIGHTS

The Gushers came back Wednesday afternoon and got revenge for the loss of the first bill of the double header to the Waco Indians and took the final game of the series, making it two out of three from the Mciver men, 6 to 0.

The Gushers grabbed ten hits off the delivery of Newground Green and they all came at the opportune moment too. They scored their first one in the initial round when with two men on and two down, Mciver dropped Jones' long fly to right and Fowlkes scored.

Peel, rookie twirler from Hearne, pitched an excellent brand of ball coming out of several holes that made things look very black for the youngsters. On three occasions with the bases full and only one down he, with the valuable help of the fielders, came through without a score coming across the platter.

Ted Jones, third sacker de luxe for the Gushers, hit a pretty triple with no one on but he came across the plate a few moments later on a hit.

Old Newground Green, who would set the world on fire if he was as good as he is on paper, breezed along contentedly for the first four or five rounds but the Gushers gave him plenty of work in the later innings.

Old Folks Strickland was the only one who could find the offerings of Everett Peel and he got a couple of two base hits.

An oddity of the game was that up to the sixth inning for the Indians only Providence and Shires were credited with putouts, Shires having nine and Providence six.

The Temple Surgeons will play at the ball orchard this afternoon and the Johnsonites will put up a hard fight for the tossing contest.

The Waco Indians left last night for a three-game series with Corsicana.

The "Umps" put it over the crowd twice Wednesday, slipping in his comedy at the end of his announcements before anybody had a chance to get back at him. Mr. Price has a keen sense of humor. It's worth the price of a game to hear his say, "I thanku."

There are two golfers in Mexia who are setting the links afire with their high scores. Each member of the country club affirms that it is Hardy Eubanks and himself which calls to mind the story written from Germany by an overseas man who said that there were only two vegetables raised in Germany and both of them were cabbage.

Ben Howard has some brand new signs stuck up around the country club and none of them have yet been

Summer School and Through The Vale Normal To Attract Many Students With "Slyboots"

(Continued from Page 1)
ing each school week. Recitations begin at 7:15 a. m. and close at 12:30 and will close August 7.

More than 100 teachers and students are expected to attend the school and the normal, that many having already signified their intentions to that effect. Most of those who have written to the Conductor are ladies, however, quite a number of men are expected to reach the college Monday of next week, the date registration begins.

About the Courses

Subjects leading to all certificates will be taught.

Certificates may be secured under the law of 1920; under the new law; or by college credits.

A list of texts required will be found in this bulletin.

These textbooks may be purchased from the College Book Store.

Courses for college credit in Chemistry, Education, History and Mathematics will be offered. This work is so arranged that you may earn 108 term-hours in nine weeks. Each course will be equal to 12 hours a week. Fifteen hours a week is all that a student ought to plan for.

High school credit work will not be offered, but those who want to review high school subjects may do so with the Summer Normal classes. College entrance examinations will be given at the close of the summer session under supervision of college teachers.

About the Cost

Summer Normal tuition will be \$20.00 for the term of nine weeks. Tuition on college subjects will be the same as during the regular session.

Board and room at the dormitories will be \$6.25 a week. There will be opportunity for a limited number to earn part of their board. For particulars write to Mrs. Robert Dornin.

torn down or defaced. It will be worth many dollars to every club member to read them.

From the interest being shown now in games by neighboring towns in baseball, the Gushers will likely find some mighty good material for 1925 right around here close by. There's some fast work and real baseball talent in evidence and Gusher Scouts will soon be making their reports.

(Continued from Page 1)
ing his hand. It was a magic day when June had come over the hills to fill the world with joy. The Valley slopes gently form the base of the mountains into a great plain that is thickly inhabited and intensely farmed. It lies in a rolling sweep as far as the eye can reach and the picture is one never to be forgotten. It never tires the eye and one's brain is in a whirl of ecstasy, drinking into his soul the Master piece of a Divine Hand. Just as I was awed by all this nature dream I swept into an open space over a mountain road with large stone castle-like buildings in the distance that reminds one of Robin Hood's exploits and I was there greeted with the boom of cannon and the crack of rifles—a pall of smoke lay over the peaceful valley and I half decided that I had been with Mr. Gulliver on one of his rambles, and that it was all a dream. But on inquiry at the big stone gate down by the road I found it was a sham battle between two military colleges. From there on the hum of the motor seemed to play an accompaniment to my dancing fancies as they would play from one side of this wonderland to the other. Until finally into the twilight my picture of amazement was melting into the lap of slumber as evening pulled the curtain of night across the scene and hid from view thru the Blue of the Ridge the peaks in their reposing splendor. It was just a speck of life in time's great wilderness.

FRECKLES

Now Is the Time to Get Rid of These Ugly Spots.

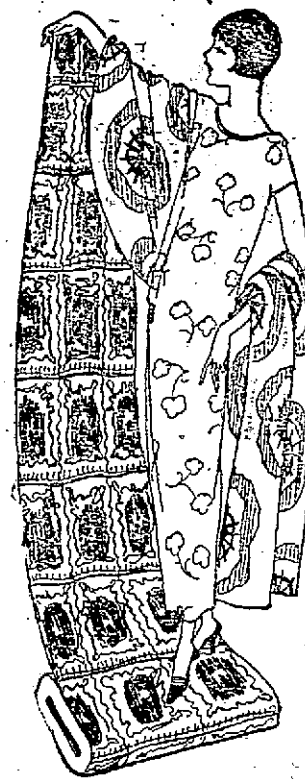

There's no longer the slightest need of feeling ashamed of your freckles, as Othine—double strength—is guaranteed to remove these homely spots.

Simply get an ounce of Othine—double strength—from any druggist and apply a little of it night and morning and you should soon see that even the worst freckles have begun to disappear, while the lighter ones have vanished entirely. It is seldom that more than an ounce is needed to completely clear the skin and gain a beautiful complexion.

Be sure to ask for the double strength Othine as this is sold under guarantee of money back if it fails to remove freckles.—(Adv.)

HIGDON-McELROY COMPANY

UNITED STATES TIRES ARE GOOD TIRES

Well Shod Motors

IN addition to outstanding advantages in service—Royal Cord Tires add to the appearance of any car.

These long-wearing, handsome tires never seem to look down at the heel—no matter how far they have gone.

Part of this is due to their perfectly balanced construction and part to the use of latex treated cords. This new patented latex treatment is a major contribution on the part of the makers of

Royal Cords to better tire service. It is the outstanding tire development of today.

You get the benefit of it in all Royal Cord Tires whether you buy the standard high-pressure type—the full Balloon for 20, 21 and 22 inch rims or Royal Cord Balloon-Type Tires built to fit present wheels and rims.

Consult your dealer about the type for your car but insist on Royal Cords.

United States Rubber Company

U. S. Tires are the only tires in the world made of cords solutioned in rubber latex.
